## Radar Group enhances client offering with acquisition of IRM

Radar Group Pty Ltd is pleased to announce that it has acquired a controlling interest in IRM Pty Ltd, a leading provider of investor focused websites and communication tools for ASX listed companies.

Radar Co-founder and Executive Director, Jonathan Younger welcomed the inclusion of the IRM team into Radar Group.

"IRM's focus on online communications solutions is highly complementary to Radar's rapidly growing suite of investor communication and engagement services" said Mr Younger. "We are excited by the increased breadth of solutions we can now offer and are confident that the capabilities we now have within Radar Group will enable us to deliver excellent outcomes for clients" he commented.

IRM Chief Executive, Martin Spry said the move would be a positive one that increased the scope of services for its clients while continuing the IRM tradition of high quality service delivery.

"We're delighted to be part of this rapidly growing business and look forward to being able to work closely with the Radar team to enhance our respective offerings" he said. "We plan to continue to operate IRM as a stand-alone business, supported by the same experienced team."
